

2024 TNQP Results

TCG is happy to announce the results of the 2024 TN QSO Party. The total number of submitted QSOs for 2024 was a little better than last year. With the expansion hour this year, more QSOs were made. The radio winds were with us this year and the bands were in pretty good shape. Most of all, we achieved the primary goal of the TN QSO Party. Have fun!

The K4TCG station set a new record score of 1,594,362. We received 347 logs from everyone. In 2024, all participants made a total of 33,393 QSOs. CW QSOs led the way again this year, with 21,520. Phone contacts were next, with 11,736 QSOs. RTTY QSOs increased this year to 128. First and foremost, we would like to recognize those operators who achieved the ultimate award - the classic TNQP plaque crafted by Mark, K0EJ, from genuine Tennessee barn wood. Congratulations!!! Note that the two dual plaque winners topped their category as well as working the most counties in their category.
